ANNUAL REPORTS

of the

Town Officers

of the

TOWN OF MADBURY

for the fiscal year ending

December 31, 1980

COPYRITE & PRINT, INC
PORTSMOUTH, N.H.

**DEDICATION
ENID VOOS JAMES**

Born - Manila, Philippine Islands
July 13, 1927

Died - October 19, 1980

Her sense of humor and optimism will
be missed,
Her faith and inspiration will be remembered.

In 1958 Enid moved to Madbury and at once became involved in the town activities. She organized the Gaytimes 4-H Club which is still in existence today. She served as a leader and inspiration to many 4-H members for over twenty-two years. She was elected as Town Auditor from 1963 to 1973, was a past president of the Madbury Community Club and served as treasurer for the Madbury Bicentennial Committee. Enid helped with the family owned business, Fancy Hill Farm Greenhouses on Old Stage Road. She was devoted to her family and took pride in her town.

RECORD OF TOWN MEETING
March 11, 1980

To the inhabitants of the Town of Madbury, County of Strafford, and the State of New Hampshire, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Madbury on Tuesday, the 11th of March, A.D. 1980, at 1:00 o'clock in the afternoon for the purpose of voting on Articles 1 through 3, and at 7:30 o'clock in the evening for action on Articles 4 through 21.

The annual meeting of the Town of Madbury was called to order at 1:00 o'clock in the afternoon by Moderator Robert E. Houston, Jr. . The warrant was read and certified to posting, the polls were declared open.

The following Ballot Clerks were sworn in:

Carl Wentworth
Rita Printy
Muriel Rogers

Mary Ellen Duffy
Diane Hodgson
Georgia Drew

ARTICLE 1: To choose the following Town Officers: Sample Ballot with totals
- see Supplement #1.

Moderator for the ensuing two years, Robert E. Houston, Jr.

Selectman for the ensuing three years, Sylvia H. Grimes

Town Clerk/Tax Collector for the ensuing three years, Pamela A. Seaver

Treasurer for the ensuing year, John W. Printy

Two Auditors for the ensuing year, Barbara G. Houston and Sheila M. Libby

Trustee of Trust Funds for the ensuing three years, Ethel B. Hayes

Supervisor of the Checklist for the ensuing six years, Lynda J. Taylor

ARTICLE 2: Voted on the amendment to the Zoning Ordinance as proposed
by a petition of voters of this Town. The Amendment was not approved.

YES - 60 NO - 129

Sample of Official Ballot attached - See Supplement #1.

ARTICLE 3: Voted by ballot to adopt RSA 654:34-A, permitting application for
changes in party affiliation to be made with the Town Clerk. Voters approved.

YES - 158 NO - 32

Sample of Official Ballot attached - See Supplement #1.

ARTICLE 4: Voted to authorize the Selectmen to choose and appoint all other
Town Officers. CARRIED

ARTICLE 5: Voted to authorize the Selectmen to borrow up to the sum of
\$50,000 in anticipation of taxes. CARRIED

ARTICLE 6: Voted to raise and appropriate \$406.98 for Class IV and V
highways to match the sum of \$2,713.20 to be contributed by the State of New
Hampshire. CARRIED

ARTICLE 7: Voted to appropriate two thousand five hundred dollars (\$2500) for improving the Town Hall and surrounding area and authorized the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. CARRIED

ARTICLE 8: Voted to appropriate one thousand five hundred dollars (\$1500) for the Fire Apparatus Capital Reserve Fund and authorized the withdrawal of this sum for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. CARRIED

ARTICLE 9: Voted to see if the Town would raise and appropriate two thousand dollars (\$2000) for a Radar Unit for the Police Cruiser and authorize withdrawal of \$1000 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and to receive matching funds from the State of New Hampshire Safety Agency. After much discussion concerning the effectiveness of radar units and whether Madbury needs its own radar unit the article was defeated.

YES - 38 NO - 69
NOT CARRIED

ARTICLE 10: Voted to authorize the Selectmen to receive the land donation and value thereof of the following four parcels of land at such time as is appropriate:

- (1) 3.453 acre parcel of undeveloped land located on the east side of Garrison Lane in Jabre Farm, Madbury, from Walter W. Cheney, Inc.
- (2) 6.741 acre parcel of undeveloped land located on the west side of Garrison Lane in Jabre Farm, Madbury, from Walter W. Cheney, Inc.
- (3) 2.35 acre parcel of undeveloped land located on the south and east sides of Moharimet Drive in Hayes Hill, Madbury, from Jennison Farms, Inc.
- (4) 13.5 acre parcel of undeveloped land located in Hayes Hill northwest of Moharimet Drive and extending to the banks of the Bellamy River, from Jennison Farms, Inc.

CARRIED

At 8:50 P.M. residents voted to keep the polls open until the end of discussion on Article 21 of this meeting on this evening.

ARTICLE 11: Voted to see if the Town would authorize the Selectmen to apply for, receive and expend funds from the Federal Heritage Conservation and Recreation Service in an amount up to \$19,360 for the development of the following four parcels of land:

- (1) 3.453 acre parcel of undeveloped land, located on the east side of Garrison Lane in Jabre Farm, Madbury.
- (2) 6.741 acre parcel of undeveloped land, located on the west side of Garrison Lane in Jabre Farm, Madbury.
- (3) 2.35 acre parcel of undeveloped land, located on the south and east sides of Moharimet Drive in Hayes Hill, Madbury.
- (4) 13.5 acre parcel of undeveloped land, located in Hayes Hill, northwest of Moharimet Drive and extending to the banks of the Bellamy River.

At the request of 10 legal voters on a petition received by the Moderator
Article 11 was a secret ballot vote. YES - 20 NO - 92
NOT CARRIED

ARTICLE 12: Voted to authorize the Conservation Commission to retain the unexpended portion of its 1980 appropriation, said funds to be placed in the Madbury Conservation Fund in accordance with RSA 36-A:5.

CARRIED

ARTICLE 13: Voted to raise and appropriate the sum of \$250.00 for the Madbury Conservation Fund.

CARRIED

ARTICLE 14: Voted to raise and appropriate \$2220.00 as the Town's share for the replacement purchase of Ambulance Vehicles by the Durham Ambulance Corps.

CARRIED

ARTICLE 15: Voted to authorize the Selectmen to apply for, accept and expend up to \$15,000.00 in Municipal Coastal Grants as authorized and approved under the New Hampshire Coastal Resources Management Program.

YES - 53 NO - 52

CARRIED

ARTICLE 16: Voted to approve and accept the proposed budget as amended for the current year. Subtract \$250.00 from Town Officers' Expenses; add \$2500 for Town Hall improvements; add \$1500 for the Fire Apparatus Capital Reserve Fund; subtract \$2000 from the capital outlay for the radar unit for the Police Cruiser; add \$250 for the Madbury Conservation Fund; add \$2220.00 for the replacement purchase of Ambulance Vehicles by the Durham Ambulance Corps. Total budget approved \$77,558.18.

CARRIED

ARTICLE 17: Voted to authorize the prepayment of Resident Taxes and authorized the Collector of Taxes to accept such prepayments. (RSA 80:1-a)

CARRIED

ARTICLE 18: Voted to authorize the prepayment of Property Taxes and authorized the Collector of Taxes to accept such prepayments. (RSA 80:52-a)

CARRIED

ARTICLE 19: Voted to hear the reports of Committees chosen, and act on any motion relating thereto.

Planning Board Secretary Woody Fraser reported that a Steering Committee has been formed to assist the Board in its continuing efforts on the development of Madbury's Master Plan. This Committee will be consolidating the individual Sounding Board reports from last year.

Water District Commissioner Bill Morong announced that the Annual Water District Meeting would be held on Thursday, March 27, 1980 at 7:30 P.M. at the Town Hall. Dr. Francis Hall will be the guest speaking on ground water and ground water pollution.

ARTICLE 20: To transact any other business that may legally come before the meeting.

Lorraine Morong explained that the lovely Madbury-made quilt hanging in the Town Hall would be further discussed at the April 8th Historical Society Meeting.

Jean Caldwell announced that the Madbury Forum Booklet is really coming soon!

Kathleen Traut asked how a street sign for Moharimet Drive could be obtained. She was directed to see the Selectmen.

ARTICLE 21: Voted to adjourn the meeting to Thursday evening, June 5, 1980, at 7:30 P.M. at the Madbury Town Hall, for the sole purpose of acting on the following:

- A. To see what sum of money the Town will raise and appropriate for the purpose of purchasing land for the establishment of a solid waste site.
- B. To take any other action necessary for acquisition of a solid waste site.

CARRIED

Meeting concluded at 10:20 P.M. to count ballots.

Meeting adjourned at 11:10.

Pamela A. Seaver
Town Clerk

Then came before me Robert E. Houston, Jr., Sylvia H. Grimes, John W. Printy, Barbara Houston, Sheila Libby, Ethel B. Hayes, and Lynda J. Taylor and took their oaths of office as required by law.

Pamela A. Seaver
Town Clerk

Then came Pamela A. Seaver before Robert E. Houston, Jr., Moderator, and took the oath of office as required by law.

RECORD OF CONTINUED ANNUAL TOWN MEETING

June 5, 1980

The continuation of the March 11, 1980 Annual Meeting of the Town of Madbury was called to order on June 5th, 1980 at 7:30 PM by Moderator Robert E. Houston, Jr. Approximately 150 residents were present. ARTICLE 21 of the original warrant was read by the Moderator who explained that it was voted on March 11, 1980 to adjourn the meeting to June 5th for the sole purpose of acting on the following:

- A. To see what sum of money the Town will raise and appropriate for the purpose of purchasing land for the establishment of a solid waste site.
- B. To take any other action necessary for acquisition of a solid waste site.

Selectman Richard Houghton regretfully announced that the voters could not vote tonight to authorize any borrowing of money. Some last moment discussions between Madbury Selectmen and State Officials revealed that only an amount of money for the purchase of the land could be decided at this reconvened meeting. In order to authorize the Selectmen to borrow money for financing the land purchase, the Town would have to petition the Stafford County Superior Court for permission to hold an emergency Special Town Meeting at a later date.

Selectman Houghton further explained that it was the Board of Selectmen's intent in ARTICLE 21 to vote on an amount to be raised *and* the means of financing a purchase of land for the establishment of a solid waste site. Legal counsel assured the Board its wording in the Article was appropriate. The decree from the State of New Hampshire officials is that we cannot authorize any borrowing of monies at this meeting.

The hushed, stunned assembly then heard Selectman Jay Moriarty make the following substitute motion:

"That the Town raise and appropriate the sum of fifty thousand dollars (\$50,000.00) for the purchase of sixty (60) acres or- known as the John Kelley property on Pudding Hill Road for the purpose of establishing a non-putrescible land fill site."

Kenneth S. Morrow seconded the motion.

Selectman Houghton read a statement in support of the above motion. Included in his statement was a brief discussion of the other four sites originally considered for the land fill area and the reasons why they were rejected.

Many questions and some heated debate followed. David Mercer of Garrison Lane expressed concerns he had for the Kelley property choice: 1) proximity to the densest population of town; 2) nearness to an aquifer; 3) location on the Gerrish Brook watershed; 4) unknown future growth of the site; and 5) increased use of the road giving need for a newer road.

Alan Wall of Pudding Hill Road displayed Strafford Regional Planning Commission maps to show Pudding Hill area has high potential for future water supplies therefore it is not a good site for a landfill.

Many other citizens joined in the discussion with Selectmen answering as many direct questions as possible.

Selectman Chairman Jay Moriarty explained that we cannot have "choices" of sites to vote on at a meeting such as this. The Town voted in 1978 that a Solid Waste Management Committee be set up to work with the Selectmen to come up with recommendations for a full solid waste program including a site for disposal of solid waste not accepted at the Lamprey Regional Cooperative Incinerator. Their recommendations were then to be acted upon at a future Town Meeting.

Joan Schreiber expressed to all the voters that this site (Pudding Hill site) is NOT to be a sanitary landfill. It will be a very limited "stump dump" in fact. She also emphasized that recycling can and must reduce our waste to zero.

Richard Schreiber asked to see if the sense of the meeting was to vote. Moderator Houston called for the vote on the motion made by Mr. Moriarty. A ballot vote was taken since it was apparent not all citizens present were eligible to vote. Only those people who were registered to vote at the March 11, 1980 Meeting were able to vote on June 5th. The same schedule was used at both sessions of the Annual Meeting.

139 votes were cast. YES - 85 NO - 54 Majority votes were YES.
MOTION CARRIED

After the ballots were counted Selectman Houghton explained the options the Town has for paying for the Kelley land.

1. By raising property taxes by approximately \$4.00 per thousand dollars valuation this year and thus pay for the land all in one year.
2. By directing the Selectmen to petition the Strafford County Superior Court to have an Emergency Special Town Meeting to vote to borrow money or bond.

Selectmen asked for a straw vote of the townspeople present to get an idea of their preference. It appeared that enough people wanted to finance at least part of the \$50,000.00 rather than pay for it all in one year.

Chairman Moriarty thanked the Solid Waste Management Committee for all its hard work and dedication.

Meeting adjourned at 9:27 PM.

Pamela A. Seaver
Town Clerk
Madbury, N.H.

THE STATE OF NEW HAMPSHIRE

Strafford, ss.

Superior Court

IN RE: TOWN OF MADBURY

PETITION FOR PERMISSION TO HOLD AN EMERGENCY
SPECIAL MEETING

Now come Joseph B. Moriarty, Jr., Richard R. Houghton and Sylvia H. Grimes, Selectmen of the Town of Madbury and say:

1. That the Town of Madbury at its regular Town Meeting held March 11, 1980 voted to adjourn said annual meeting to June 5, 1980 for the purpose of determining what sum of money the Town would raise and appropriate for the purpose of purchasing land for the establishment of a solid waste site.

2. That the said adjourned Town Meeting was held June 5, 1980, and at said meeting a vote was passed that the Town raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for the purchase of sixty (60) acres, more or less, known as the John Kelley property on Pudding Hill in said Madbury, for the purpose of establishing a solid waste site, also known as a non-putrescible landfill site.

3. That your Petitioners desire to hold a special town meeting to determine if the Voters of the Town of Madbury wish to finance the said capital improvement, referred to above, by the borrowing of money by the Town. The holding of a special town meeting for said purpose will permit said borrowing if the voters determine that this is the best and most expedient course of financing said improvement.

4. That the proposed Warrant for said town meeting is appended hereto and made a part hereof as Exhibit A.

5. That an emergency exists justifying the requested emergency special town meeting, since a solid waste landfill operation is vitally needed for the health and welfare of the Town of Madbury, and it is necessary to authorize said special town meeting to determine the best method of raising the necessary funds in order to accomplish this objective.

6. That the Selectmen of the Town of Madbury propose to borrow from a financial institution, or other lender, the sum of approximately Fifteen Thousand Dollars (\$15,000.00) for said capital improvement, to utilize approximately Twenty-five Thousand Dollars (\$25,000.00) from a capital reserve fund of the Town which has been set up for establishing a system of waste disposal and to utilize the sum of approximately Nine Thousand Dollars (\$9,000.00) from tax revenues of the Town. It is necessary that a

special town meeting be held in order to authorize the said borrowing, and also the withdrawal of said funds from the said capital reserve fund.

7. That the date of Monday, June 30, 1980 at 7:30 p.m. is a suitable date for the said special town meeting to be held at the Madbury Town Hall.

WHEREFORE your Petitioners pray:

(1) That the Court shall authorize an emergency special meeting of the voters of the Town of Madbury to be held at the Madbury Town Hall at 7:30 p.m. on Monday, June 30, 1980, for the purpose of acting upon the Articles in the Warrant which is appended hereto and made a part hereof.

(2) And for such other and further relief as may be just.

Joseph B. Moriarty, Jr.

Richard R. Houghton

Sylvia H. Grimes

THE STATE OF NEW HAMPSHIRE

STRAFFORD, ss.

SUPERIOR COURT
April Term
1980

IN RE: TOWN OF MADBURY

PETITION FOR PERMISSION TO HOLD AN
EMERGENCY SPECIAL MEETING

The above-entitled petition came before the Court for hearing and the Court, having considered the evidence, finds that an emergency has arisen in the Town of Madbury which may require an immediate expenditure of money.

It is hereby ordered, adjudged and decreed that the Selectmen of the Town of Madbury are hereby authorized to hold a Special Town Meeting on Monday, June 30, 1980, at 7:30 p.m., at the Madbury Town Hall, for the purpose of acting upon the articles set forth in the accompanying petition, and the Special Town Meeting shall have the same authority as that of an annual Town Meeting.

The above approval is conditioned upon compliance with all statutory requirements relating to posting and notice which control such a Special Meeting.

This decree is made solely for the purpose of permitting the Special Town Meeting to be held, and it is not to be construed nor interpreted in any other manner nor for any other purpose whatsoever.

ATTEST: Richard H. Keefe
Clerk of Superior Court

WARRANT FOR EMERGENCY SPECIAL TOWN MEETING OF
THE TOWN OF MADBURY TO BE HELD MONDAY, JUNE 30,
1980 AT 7:30 P.M. AT MADBURY TOWN HALL

TO THE INHABITANTS OF THE TOWN OF MADBURY, COUNTY OF STRAFFORD AND STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Town Hall in said Madbury on Monday, the 30th day of June, A.D. 1980, at 7:30 p.m. in the evening for the purpose of voting on the following Articles of this Warrant:

ARTICLE 1. To see if the Town will vote to fund the appropriation made at the adjourned Town Meeting held June 5, 1980 for the purpose of purchasing land for the establishment of a solid waste site, said appropriation being in the amount of Fifty Thousand Dollars (\$50,000.00), in the following manner:

- (a) To raise Fifteen Thousand Dollars (\$15,000.00) of said sum by borrowing the same from a bank or other lender, for a period of three (3) years, with the first payment of principal and interest on said loan to be made one (1) year after the date thereof, the second payment of principal and interest to be made two (2) years after the date thereof, and the third payment to be made three (3) years after the date thereof. The annual payment of principal and interest in any year shall not be less than the amount of principal and interest payable in any subsequent year by more than Two Percent (2%) of the principal of the entire loan.
- (b) Expected use for life of the public improvement for which said loan funds are to be used exceeds three (3) years, as determined by the Selectmen. The said borrowing shall be represented by a note which shall be signed by the Selectmen, or a majority thereof, countersigned by the Treasurer, and shall have the corporate seal of the Town affixed thereto. The discretion of fixing the date, maturities, denominations, interest rate, or discount rate, the place of payment, the form and other details of said note, and providing for the sale thereof, within the terms above stated, are delegated to the Selectmen.
- (c) To authorize the Selectmen to withdraw from the capital reserve fund set up for the purpose of establishing a system of waste disposal the principal of said sum plus any accumulated interest thereon, which has been computed to be the sum of Twenty-five Thousand Seventy-one Dollars and Fourteen Cents (\$25,071.14) as of September 2, 1980.
- (d) To raise the difference between the sum of Forty-nine Thousand Dollars (\$49,000.00) and the total of Items (a) and (c) above from the taxes levied by the Town.

(e) One Thousand Dollars (\$1,000.00) has been deposited as a down-payment on said property.

Given under our hands and seal the 10th day of June, in the year of our Lord, One Thousand Nine Hundred and Eighty.

Joseph B. Moriarty, Jr. Sylvia H. Grimes Richard R. Houghton

A true copy attest:

Joseph B. Moriarty, Jr.

Sylvia H. Grimes

Richard R. Houghton

We certify that on the 11th day of June, in the year of our Lord, One Thousand Nine Hundred and Eighty, we posted a copy of the warrant at the Town Hall, Fire Station, and the Town Clerk's office, being three public places in the Town of Madbury, as required by law.

Joseph B. Moriarty, Jr.

Sylvia H. Grimes

Richard R. Houghton

Strafford County, SS. Town of Madbury and the State of New Hampshire. Personally appeared before me, the above-named Selectmen and took oath to the above statement.

Pamela A. Seaver

Town Clerk, Madbury

MINUTES OF MADBURY, NH SPECIAL TOWN MEETING

On June 30th, 1980 a Special Town Meeting was called to order at 7:30 pm in the Madbury Town Hall. Moderator Robert Houston read the petition for a Special Town Meeting and the warrant for the special Town Meeting. Approximately 70 residents were present.

Selectman, Joseph Moriarty Jr. made the motion on the article as read and Jesse James seconded the motion. Discussion commenced with many Garrison Lane residents expressing opinions on alternate plans, actual location of the solid waste site and possible amendments to original motion. Deanne Wang wanted to go on record as expressing a concern for the safety of the children in the area with the potential trucking into the area.

Amendments to the original motion were by Kathleen Trout and seconded by Richard Schreiber. It offered: "To raise Fifty thousand (50,000.00) Dollars by borrowing the same from a bank or other lender for a period of ten (10) years" as substitute wording in section (a) of the article. The selectmen spoke against the interest payments of a long term loan and some residents suggested we continue to be a "pay as you go" community as we have in the past. A vote on this amendment was lost.

A second amendment was made by Richard Schreiber and seconded by John King. "To raise Thirty-nine Thousand (\$39,000.00) Dollars by borrowing the same from a bank or other lender for a period of three (3) years," substituted in section (a) of the article, section (b) (d) & (e) remain the same and section (c) eliminated. The selectmen found this acceptable but urged the support of the original motion. The vote on this amendment was lost.

The moderator ruled that a decision on this matter be resolved this evening and an adjournment was out of order. Clive Wang requested an over-ruling of the moderator and a vote of the assembly sustained the moderator.

A ballot vote on the original motion made three hours earlier was then taken. Sixty-one voters cast their ballot. YES - 44 NO - 17. Forty-one votes needed for 2/3rds meaning motion CARRIED.

Meeting adjourned at 10:30 pm.

Diane C. Hodgson

**WARRANT FOR TOWN MEETING
TOWN OF MADBURY, NEW HAMPSHIRE**

March 10, 1981

To the inhabitants of the Town of Madbury, County of Strafford, and the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Madbury on Tuesday, the 10th of March, A.D. 1981, at 1:00 o'clock in the afternoon for the purpose of voting on Article 1, and at 7:30 o'clock in the evening for action on Articles 2 through 18. The polls which open at 1:00 p.m. for the purpose of voting on Article 1, will close at 9:00 p.m. unless extended by vote of the meeting.

ARTICLE 1. To choose the following Town Officers:

A Selectmen for the ensuing three years.

A Treasurer for the ensuing year.

Two Auditors for the ensuing year.

A Trustee of Trust Funds for the ensuing three years.

ARTICLE 2. To choose all other Town Officers.

ARTICLE 3. To see if the Town will vote to authorize the Selectmen to borrow up to the sum of \$100,000.00 in anticipation of taxes.

ARTICLE 4. To see if the Town will vote to raise and appropriate \$402.75 for Class IV and V highways to match the sum of \$2,684.98 to be contributed by the State.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for site development of the Solid Waste Landfill and authorize the withdrawal of \$5,000.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, and \$10,000.00 by taxation.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the Fire Apparatus Capital Reserve Fund.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for preliminary site planning for the relocation of Pudding Hill Road, and authorize the Selectmen to withdraw this amount from the Capital Reserve Fund for Improvement of Class V Roads.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purpose of providing technical assistance in planning for the possible expansion of the Town Hall.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$250.00 for the Madbury Conservation Fund.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$673.88 for dues assessments to support the Strafford Regional Planning Commission.

ARTICLE 11. To see if the Town will vote to authorize the Selectmen to receive and expend the sum of \$10,000.00 which may become available as a contribution to be used for the new road construction project on Hayes Road.

ARTICLE 12. To see if the Town will vote to authorize the Selectmen to engage a person for clerical and secretarial work.

ARTICLE 13. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1981 appropriation, said funds to be placed in the Madbury Conservation Fund in accordance with RSA-A:5.

ARTICLE 14. To see what action the Town will take on the proposed budget for the current year.

ARTICLE 15. To see if the Town will vote to authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money; provided, (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95-B.

ARTICLE 16. To hear the reports of Committees chosen, and act on any motion relating thereto.

ARTICLE 17. To see if the Town will vote to adopt the Solid Waste Ordinance for the Town of Madbury as is printed in the back of the 1980 Annual Report.

ARTICLE 18. To transact any other business that may legally come before the meeting.

Given under our hands and seal the 23rd day of February in the year of our Lord, one thousand, nine hundred and eighty-one.

Selectmen of Madbury, New Hampshire

A true copy attest:

Joseph B. Moriarty
Richard R. Houghton
Sylvia H. Grimes

We certify that on the 23rd of February, in the year of our Lord, one thousand nine hundred and eighty-one, we posted a copy of the warrant at the Town Hall, Fire Station, and the Town Clerk's Office, being three public places in the Town of Madbury, as required by law.

Joseph B. Moriarty
Richard R. Houghton
Sylvia H. Grimes

Strafford County, ss., Town of Madbury and the State of New Hampshire.
Personally appeared before me, the above named Selectmen and took the oath to the above statement.

Pamela A. Seaver
Town Clerk, Madbury

SELECTMEN'S REPORT

In addition to the routine matters conducted by the selectmen, the Board oversaw:

1. Reconstruction of a portion of Hayes Road, which is due to be completed this year.
2. Shoulder work, ditching and the widening of French Cross Road.
3. The grading and paving of the Town Hall parking lot.
4. Replacement of a culvert on Drew Road.

Individual selectmen served throughout the year on the Planning Board, the Solid Waste Management Committee and the Operations Committee of the Lamprey Regional Solid Waste Cooperative.

The board also completed the purchase of the land for the Madbury Solid Waste site.

The board is grateful to all those people who have served the town in various capacities this past year. Citizen participation in the affairs of our town is our hope for the future. New volunteers are always welcomed.

AUDITOR'S CERTIFICATE - 1980

We have examined the accounts of the Town Clerk, Tax Collector, Trustee of Trust Funds, Selectmen and Treasurer, including Revenue Sharing Funds, according to the instructions of the New Hampshire Department of Revenue Administration and find them correct to the best of our knowledge and belief.

Barbara G. Houston

Shiela M. Libby

MADBURY POLICE REPORT

Madbury Police Department had another busy year receiving 223 calls from Durham Dispatch Center and 189 calls received at residence, for a total of 412 calls. The Durham Dispatch Center has been most cooperative and helpful throughout the year and an increased number of people are using the Emergency Number 862-1212 which is most beneficial to all.

Equipment purchased this year has been held to a minimum and we have managed to stay well within our budget of \$3,400.00 for 1980 with an approximate \$1062.00 unexpended balance.

Our budget for 1981 will be the same 1980 figure of \$3,400.00 and will try to stay within the budget as we all realize the rising cost of gas and basic materials.

We would like to take this time to mention an increased number of dog calls within the year and to urge people to register their dogs, which will save time in locating their owners and help to reduce the cost to the town for properly disposing of these non-claimed dogs.

May we take this time to thank the people of Madbury for their cooperation in helping make the department run effectively.

Sincerely,

Chief George E. Taylor

MADBURY FIRE DEPARTMENT

As usual, this has been another busy year for the Madbury Volunteer Fire Department; we have answered 59 Calls in 1980. The most costly fire being at Madbury Metals Inc. in December 1980. There have also been several chimney fires, none too serious.

We are still busy with our addition, having added outside stairs and are currently endeavoring to rewire the fire station. Other current projects include hooking up an air compressor, which was overhauled and donated by Asst.-Chief Willard Sanders. Arthur Anderson has acquired a portable generator, which we are working on, and we are hoping to acquire portable emergency lighting to complement the generator in the future.

In January, I sent a request to the State of New Hampshire Department of Resources and Economic Development, Division of Forests and Lands, for matching funds in purchasing new hose for the department. We have received the grant, and purchased the hose.

In June, on Madbury Day, we held Open House at the station and were pleased with the turnout of fellow townspeople. We enjoyed showing and explaining uses of our equipment and the new addition.

We are sorry to have lost a very active fireman, Dave Nicol, to the Dover Fire Department. Dave has moved to Barrington and is a permanent fireman in Dover. Our loss is their gain.

We are still looking for new members, male or female, 18 years of age or older, to join the department.

I would like to thank all the clubs, businesses and residents of Madbury for their donations to the department during the year.

Respectfully Submitted,
Kenneth Wolcott, Fire Chief

PLANNING BOARD

Early in 1980 the Planning Board created a Steering Committee to continue work on the Master Plan. This committee was charged with establishing overall goals for the Town, developing strategies to achieve those goals and consolidating the reports, from the four Sounding Board Committees, into a Master Plan. The first draft was completed and submitted in November 1980. It has been very difficult to obtain Townspeople to work on this time-consuming project. The Board gratefully acknowledges the efforts of those few citizens who have volunteered to serve. Additional assistance is urgently required.

Seven proposals for subdivisions were considered during the year. Five of these resulted in minor subdivisions (two lots). One proposal to convert residential property into office space was studied, but the plan was withdrawn temporarily. In addition, the Board monitored a proposal for a large subdivision located in an adjoining community. The proposed development abuts Madbury and could have a traffic impact on one of our roads.

Although we have only a very short shore line, our Town is one of the 17 communities in the Coastal Zone Management region. Proposals being prepared for consideration by the General Court are being closely monitored in hopes that required actions can be handled within existing agencies rather than creating additional bureaucratic and regulatory levels.

Two Board Members attended municipal law and community tax workshops as part of a continuing educational program.

Board procedures were revised and check lists for subdividers were prepared to expedite the processing of applications from Townspeople. The Board also undertook the project of republishing all Ordinances and Regulations of the Town so that the many amendments would appear in proper sequence in an easy to read format.

James H. Colprit
Chairman

MADBURY CONSERVATION COMMISSION

The work of the Conservation Commission during the first quarter of 1980 was brought to fruition at the March Town Meeting, when Madbury residents voted to accept as Town property four parcels of land donated by Walter W. Cheney. The parks and the playgrounds in Jabre Farm and Hayes Hill are a valuable addition to Madbury's open space. In December, Commission members, with the help of neighbors, spread hay on the west side of the playground at Jabre Farm. The hay had been donated by Mrs. Catherine Percival and Mr. and Mrs. Glenn Jones, and the work was done in preparation for seeding in the Spring.

We were pleased to have Ken Morin and Bob Salyers join the Commission in October. Elected officers for 1981 are: Peggy Wolcott, Chairman; Craig Seaver, Treasurer; and, Beverley Bryant, Clerk.

The Commission is grateful to the Madbury Community Club for its donation of \$50.00 for the Commission's Conservation Fund. We are still selling stationery, and we hope that Madbury's citizens will continue to support the work of the Commission in preserving and protecting Madbury's natural resources.

Peggy Wolcott
Chairman

SOLID WASTE MANAGEMENT COMMITTEE

Following the Town's acceptance of the Pudding Hill site, the selectmen reactivated the Solid Waste Management Committee to prepare data for the proposals to be brought before the 1981 Town Meeting. Two members were added to the committee: Paul Littlefield of Hayes Road and Jon Steele of Garrison Lane.

The committee has met twice a month to accomplish the following:

- established and clarified details of the State's requirements with engineers from the Bureau of Solid Waste Management.
- helped to plan the physical details and construction with Project Engineer Fred Drew.
- reviewed costs of development and operation.
- proposed a recycling plan.
- drafted a solid waste ordinance for the Town's consideration.

LAMPREY REGIONAL SOLID WASTE COOPERATIVE

Your Directors of the Lamprey Regional Solid Waste Cooperative are pleased to report that the incinerator recovery plant is in operation and producing steam for the University of New Hampshire on a regular 24-hour, 7-day a week schedule. Since reporting to you at the time of your 1980 town meetings, your Directors are able to record substantial accomplishments in the completion of the plant's construction and in placing it in operation in accordance with our long range plans.

In preparation for completion of the major elements of the plant in late summer of 1980, your Directors and staff have developed a program for waste delivery by each town, the establishment of an organization for managing and operating the plant, the sale of steam, and the disposal of the residue ash. In the waste delivery system developed, a supplemental program was implemented through the acquisition of a 50,000 pound roll-on, roll-off truck capable of handling our ash removal containers for transfer to the two planned initial disposal areas at the Newmarket and Northwood dumps, and, in addition, would efficiently and economically pick up the roll-on, roll-off compactors from Lee, Northwood, Barrington and Greenland, those towns having installed a formal compactor station unit. It was found that the acquisition of the hauling unit would effectively reduce the cost of hauling refuse to the plant and result in major reduction in cost to the Cooperative as a whole at the same time in ash removal and disposal.

To administer and manage the plant, your Directors have made arrangements with the Town of Durham to have its Public Works Director administer the plant's operation to include supervision of the operating personnel, the preparation of budgets, and detailed overall management under the general supervision of the Operations Committee of the joint Board of Directors. The plant personnel includes a plant superintendent, a mechanic-truck driver, two daily shifts of twelve hours each involving eight persons, plus a daily clean-up crew. This organization operates the incinerator system, maintains records, and coordinates with the University's power plant staff who monitor the boiler and steam production elements of the plant. This organization also handles the collection of refuse from the transfer stations and the ash removal and disposal.

The waste delivery program for all other towns in the Cooperative, including both community owned packers and commercial haulers, has been organized for efficient and continuous delivery of waste with all units being weighed on the Cooperative's scales, with tonnage recorded for billing of the tipping fee to each community. To assist all the communities in the collection and the delivery program, a series of instructual memorandums were prepared including a complete set of guidelines detailing processable and non-processable waste, i.e., that which can be handled at the plant and that which must be disposed of at the regular dump sites. This latter item, of course, includes brush, construction materials, and other non-organic material. Further, a punch card system was prepared for each community to enable them to assign deliveries to either their

own vehicles or contract haulers. Guidelines were also developed and issued to all hauling units with instructions for delivery, dumping, and emergency procedures. We have made arrangements with a commercial landfill operator to handle our waste in the event of a major shut-down of all units at the plant.

We had planned, at the time of our last report to you, to begin operation of the plant in August or September, however, due to economic conditions and delay in deliveries of critical items, we were not able to begin the production of steam until November, although the furnaces' refractory linings were cured by charging and burning refuse in September. With the shake-down period still going on, we averaged over 200,000 pounds of steam per day for the month of December, this despite the unanticipated underrun in waste being generated and delivered by the twelve towns. This has been occasioned in part, as far as tonnage is concerned, by the removal of glass and cans under recycling efforts by many of the towns, as well as overall individual conservation measures in effect locally and nationally. To increase our current daily tonnage to the optimum of 55 to 60 tons per day, your Directors and the plant Administrator are working out arrangements to bring in those towns which indicated an interest in joining the Cooperative at the time of its formation, specifically, North Hampton, Eliot, and South Berwick, with firm agreement having been reached with the latter with deliveries beginning in late winter. In addition, other sources of processable waste are being explored with private haulers.

As required by federal and state regulations, we are preparing with the assistance of the State Office of Air Control and the Division of Solid Waste to make the required stack test for emissions control and ash content standards. Following this phase of the projects testing and acceptance, we expect to begin full operation and initiate the year's guarantee period. We are maintaining close liaison with the University through the joint Policy Committee which has been established under our agreement, and are exploring, with the University, additional uses for energy during the summer periods of low steam requirements.

The Directors, on December 30th, held a public hearing on a proposed budget, which has now been adopted and is being submitted to each member town showing its share of the total net operating budget. Because of the late start in producing steam, the tipping fee or net cost per ton is higher than anticipated. However, we are presently exploring two additional sources of revenue in addition to the increased quantities of waste. One of these avenues is a federal entitlement program which pays eligible operations such as ours a varying value of from three to six dollars per ton of waste burned, where it replaces oil as a source of energy. Further, our Administrator is working on a program to handle oil spill waste for the state on a fee basis. Both of these programs, if they come to fruition, will assist us in reducing the estimated cost per ton for operating the plant.

We are still working with all of the communities and the University in eliminating glass from the waste stream because of the net savings that will result by eliminating hauling it to the plant and processing it through the system.

The Directors of the Cooperative wish to express their deep appreciation for the assistance given their efforts by the University's staff as well as the officers and personnel of the cooperating towns. Every effort will be continued to keep the residents of the region informed of the progress in the collection, processing, and disposal of the waste which is being handled at the plant.

Malcolm J. Chase, P.E.
Chairman
Lamprey Regional Solid
Waste Cooperative

OYSTER RIVER HOME HEALTH ASSOCIATION

1980 TOWN REPORT

The Oyster River Home Health Association is a Medicare certified, voluntary, non-profit organization which has served the four towns of Durham, Lee, Madbury and Newmarket since 1967. It is governed by a Board of Directors composed of five representatives from each town.

The agency's goal is to promote health in the community, prevent disease and to provide professional nursing and therapy services on a part-time basis either in the patient's home or at agency sponsored clinics.

CARE OF THE SICK PROGRAM

The agency staff of seven registered nurses, a registered physical therapist and an occupational therapist visit the sick at home to provide care as needed. Physicians' orders are followed. In this past year, a home health aide service was added and aides are now available to assist with personal care needs. Medicare, private insurance and Medicaid coverage is available for home visits provided certain criteria are met. No one in need is denied service because of inability to pay.

ADDITIONAL SERVICES PROVIDED BY AGENCY

1. Tuberculosis Control. Monitoring of patients as directed by the Bureau of Communicable Diseases.

2. 4-in-1 Adult Screening.

3. Office visits for B.P. checks and simple treatments.

4. First aid for Durham Town Employees.

In addition to insurance payments, patient fees and State Grants, funding for the agency is provided by appropriations from the member towns, contributions from individuals and memorial gifts.

Agency offices in the Durham Town Hall are open Monday to Friday 8:00 a.m. to 4:00 p.m. For information call 868-5055.

MATERNAL CHILD HEALTH PROGRAM

This program is funded in part by a grant from the State of New Hampshire Department of Health and Welfare with 50% match from town appropriations. No charge is made to the individual.

1. Well Child Clinics. Clinics are held twice a month providing physical examinations and immunizations for children up to first grade age. Clinics are staffed by a pediatrician, a pediatric nurse practitioner and agency nurses.

2. Dental Screening Clinics. Semi-annual dental prophylaxis for children 3-6 years who are enrollees in the Well Child Clinics. Examination by State Dental Bureau Hygienists and referral to local dentists.

3. New Born Visits. Home visits to each newborn to provide guidance to new mothers.

4. Assistance in Staffing of State Pediatric Specialty Clinics.

5. Assistance to School Nurses as requested.

6. Health Supervision and Teaching in Local Day Cares as requested.

YEAR-END REPORT of the STRAFFORD REGIONAL PLANNING COMMISSION

The Town of Madbury first joined the Strafford Regional Planning Commission (SRPC) in 1971 and has participated as a member of the Planning Commission every year since. In 1980, Madbury's dues contribution was \$755.24.

Through its membership, Madbury has supported and participated in various regional planning projects which the SRPC has undertaken over the past year. Some highlights of the Commission's regional planning efforts this past year include:

1. A study of the revitalization potential of three abandoned/under-utilized former textile mill complexes in Strafford County. This study will hopefully serve as a model for similar reuse investigations to help revitalize other aging mill complexes in the Strafford Region.
2. Completed the *Overall Economic Development Program Progress Report for Strafford County*, which extended the County's designation as a Redevelopment Area by the Federal Economic Development Administration until June 30, 1981. This continued designation maintains the county's eligibility to participate in EDA funding programs. Over the past two years, Strafford County communities have received some \$125,000 in EDA grants as a result of this eligibility.
3. Initiated with the University of New Hampshire a River Basin Management Plan for the Salmon Falls River Basin, aimed at maximizing the hydroelectric power potential of some 11 existing and abandoned hydroelectric dams on the river.

In addition to the above projects, the Strafford Regional Planning Commission has provided over 100 hours of specific technical assistance to the Town of Madbury in support of several on-going projects, at the request of various town officials. These local projects have included:

1. assistance to the Madbury Conservation Commission concerning preparation of a federal grant application to the Heritage Conservation and Recreation Service for development of a neighborhood park. The drafting of warrant articles for Town Meeting regarding same, and assistance with the presentation at Town Meeting;
2. providing continuing assistance and secretarial services to the Madbury Master Plan Steering Committee;
3. at the request of the Steering Committee, reviewed a University of New Hampshire graduate student report on the fiscal impacts of growth in Madbury, to determine its use for possible inclusion in the draft Master Plan.

MADBURY WATER DISTRICT

The Water Board has been studying the function of the Madbury Water District and how it might better serve the needs of its members. The commissioners do not expect to be asked "to supply water for domestic and fire protection purposes" in the near future, yet we have been asked for advice on individual well water systems, and we have kept track of matters that might affect the supply or quality of well water. In recognition of this activity, we have voted to ask the Legislature for permission to add to our purpose "the protection of ground water resources."

Also, for the budgeting convenience of the selectmen, we have voted to ask the Legislature for permission to hold our Annual Meeting "at a time to be determined at the previous Annual Meeting," the intent being to hold it before Town Meeting rather than after.

If the Legislature agrees to make these amendments, we would then be able to adopt the changes at our 1982 Annual Meeting.

NEWMARKET REGIONAL HEALTH CENTER, INC.

The Newmarket Regional Health Center is a community health center offering general family care for all ages. It provides preventive, routine and emergency care as well as home visits. Use of health center services increased by 19% over the past year.

Sarah Oxnard, M.D., Michael Lewis, R.P.A., and Anne Fawcett, A.R.N.P., M.S.N. continue to provide care as members of the medical team. In addition, Barbara Janeway, M.S.N., joined the health center staff in November of 1980. Barbara is a recent graduate of the Yale University Family Nurse Practitioner Program. The medical team also includes registered nurses, a health aide and community health workers.

The community health workers coordinate preventive screening clinics to detect potential health hazards, hold informative workshops for the public and act as liaison between the medical providers and the patient. To make a medical appointment, call the center at 603-659-3106 or toll-free at 1-800-582-7279.

The Newmarket Regional Health Center also operates a senior citizen

The Newmarket Regional Health Center also operates a senior citizen transportation service. Service utilization increased 19% area-wide to over 23,000 rides per year in 1980. The Transportation Program provides regularly scheduled bus services to the elderly of Madbury and other area towns. The service enables seniors to remain independent, self-sufficient, and active by providing rides to needed services, including medical, shopping and recreational trips. The addition of a new van equipped with a hydraulic lift had increased our capability to transport the handicapped. This lift allows individuals confined to a wheelchair to use our service. For more information about the Senior Citizens Transportation Program or to arrange a ride for a senior citizen, call 659-2424, or toll-free 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the continuing support given by the town of Madbury.

Sincerely,

Ann H. Peters
Executive Director

MADBURY HISTORICAL SOCIETY

Is your house more than 50 years old? Have you noticed someone outside photographing your home or jotting notes on its appearance? Or are you one of the 78 homeowners who has spent time in an interview, reminiscing about past owners and when and why they made the back room into a bathroom or replaced the shiplapped clapboards with aluminum siding? Members of Madbury Historical Society have been studying architectural information and filling survey forms in an effort to complete the Historic Preservation Project sponsored by the Strafford Rockingham Regional Council. To date the major parts of the report have been worked on; with the history written, and most survey forms completed and awaiting final write-ups on architectural descriptions with statements of significance. The maps are near completion and the timeline's being filled in.

Although those working on the project may find their tasks tedious at times, much has been accomplished and the end is in sight. Once the data is edited and printed, the town will have valuable information for inclusion in the Master Plan.

This year we've also had a program on collecting old dolls, and a fascinating evening with University Photographer Jack Adams, as he presented a slide show on the Piscataqua River Basin. Reaching out to the community, we happily contributed to the Madbury Day celebration with demonstrations of spinning, basket weaving, soap making, a table full of "What's Its?", quilt tying, and more. The quilt we tied was later raffled to raise money for our treasury.

In the coming year we plan meetings with seasonal topics of interest. And we're sure the town will again be pleased with our activities for Madbury Day.

Once again, we remind our neighbors that ours is an organization geared toward enjoying and sharing reverence for the past, evoking awareness and interest in our present events, and contributing to our town's future.

Respectfully,
Janet Wall, President

MADBURY FORUM, 1980

Forum activities provide an opportunity for members of the community to forge new ties and renew old ones. Newcomers to the town can become acquainted with their new home, and long-time residents can keep abreast of the inevitable changes that come about with time. The strength of any community is in its people and it is hoped that participation in Forum projects will help to foster pride in this community, and develop a source of willing hands to labor on the boards and committees which keep this community functioning.

The major project for the Forum in 1980 was the Madbury Day celebration in June. Forum members hope to make this an annual event, with participation by every member of the community encouraged. 1980's day-long affair included a flea-market and craft demonstration, softball, square dancing, and a chicken barbeque. Several community groups were involved in the effort needed to make it a memorable day, including the Historical Society, 4-H, and the Madbury Fire Department. Plans for 1981 are under way, and help is always welcome.

The Forum also sponsored a potluck supper and slide show in the fall. Attendance was poor, and time will tell if lack of publicity was the problem, or if interest is waning in this type of activity. Community input is essential for the continuation of the Forum. If the input is in the negative form of low participation, there is still a message there for us.

Joan Sundberg

Madbury Forum, 1980

1980 VITAL STATISTICS

Births	13
Marriages	7
Deaths	8

BIRTHS:

January 8, 1980	CATHERINE MARY GAULT, daughter of Mary Ann and Ralph Gault
February 3, 1980	KEVIN WALLACE SHEPARD, son of Sandra L. and Robert W. Shepard
February 21, 1980	ROBERT JOSEPH STONEHOUSE, son of Jeanne T. and Robert C. Stonehouse
April 17, 1980	TRAVIS WILLIAM SALISBURY, son of Martha J. and Michael T. Salisbury
June 8, 1980	JOSHUA CLINTON BUSHONG, son of Cynthia J. and Glenn D. Bushong
June 9, 1980	JUSTIN DAVID TURGEON, son of Ardith A. and Marc A. Turgeon
June 12, 1980	JOSEPH CHRISTOPHER HOLAK, son of Susan M. and Robert J. Holak
June 14, 1980	MICHELLE LEE MORIN, daughter of Brenda E. and Kenneth E. Morin
August 8, 1980	EMILY ANN BONACCORSI, daughter of Kathleen A. and Thomas J. Bonaccorsi
September 23, 1980	ANDREA BETH SWEET, daughter of Jacquelyn M. and Reginald N. Sweet
October 28, 1980	ADAM ROBERT HARDENBROOK, son of Janet M. and Bruce N. Hardenbrook
December 12, 1980	AARON JOHN BARRY, son of Jean T. and John T. Barry
December 23, 1980	LAUREN KIMBALL KRAFT, daughter of Sharon L. and L. Gordon Kraft, III

MARRIAGES:

March 15, 1980	JEFFREY R. GOUGH to MARIANNE G. COMTOIS in Madbury by Suzanne Zielfelder, J.P.
May 3, 1980	WILLIAM A. BONIN to SANDRA H. CAHOON in Durham by Rev. Harold C. Criswell, Jr.
August 23, 1980	DONALD F. TIBBETTS to ELAINE L. FROST in Madbury by Rev. Kaye Gravelle Bowles
September 20, 1980	JOHN F. MOORE to SUSAN E. GUTOWSKI in Dover by Rev. Daniel V. Weaver
October 3, 1980	JONATHAN R. DUFFY to JAMIE E. WILSON in Madbury by Linda L. Ekdahl, J.P.
October 11, 1980	TIMOTHY P. MULLANEY to JUDITH M. ANDERSON in Durham by Rev. Joseph E. Desmond
October 24, 1980	MARK A. NELSON to DESIRA A. SHEA in Dover by Paul F. Flayhan, J.P.

DEATHS:

January 9, 1980	MADELINE C. FLAHERTY, age 80, daughter of Harry Willand and Delia McMahon
January 28, 1980	MERTON W. HEWITT SR., age 86, son of Harley W. Hewitt and Anna Ackley

July 12, 1980	WILLIAM DONALD TIBBETTS, age 70, son of Frank E. Tibbetts and Anna Belle MacRae
September 12, 1980	TOOFY J. GEORGE, age 58, son of Bolus George and Mary George
October 19, 1980	ENID V. JAMES, age 53, daughter of R. Adm. William C. Vose and Alice Emily Fowler
December 29, 1980	LENA B. ADAMS, age 91, daughter of Sam Jones and Lovey Emerson

SOLID WASTE ORDINANCE

TOWN OF MADBURY

PREAMBLE

Pursuant to the authority of Chapter 31, Section 39 and Chapter 147, N. H. Statutes Annotated, 1979, and for the purpose of promoting the health, safety and welfare of the Townspeople, by preventing contamination and promoting conservation of natural resources, the Town of Madbury ordains the following Solid Waste Ordinance. This ordinance will become effective when the transfer station, landfill site, and recycling center are placed in operation, which dates will be determined by the selectmen and will be announced to the public.

A. PERMITS

Permits will be issued by the Town Clerk:

1. to residents, non-resident property owners and commercial haulers. Permits will be renewed every two years or when determined necessary by the Board of Selectmen.
2. to non-resident contractors doing work in Madbury. Permits will be temporary, depending on time projected to complete work.
3. a fee of One Dollar (\$1.00) will be assessed for each permit. Fee will be retained by Town Clerk.

B. HOURS

Operating hours will be established by the Selectmen.

C. SUPERVISION

An attendant will be appointed by the Selectmen. He/she will be present whenever the solid waste area is open for any purpose. The Attendant is authorized to judge the suitability and acceptability of any material brought to the solid waste area. Appeal from his/her decision may be made to the Selectmen.

D. DEFINITIONS (includes presently recyclable items as well as items which may be accepted for recycling in the future.)

1. **RECYCLABLE GLASS** shall mean empty glass containers made of:
 - a. clear glass,
 - b. brown glass, including red glass,
 - c. green glass, including blue glass.

2. **NON-RECYCLABLE GLASS** shall mean window glass, mirrors, opaque glass, light bulbs, ceramics, clay products, china, porcelain, etc.
3. **CANS** shall mean empty metal containers made of:
 - a. steel or "tin."
 - b. bi-metal, such as steel with aluminum top.
 - c. aluminum.

Metal ends of carboard containers may be included after separation from the containers.

4. PAPER

- a. newspaper shall mean clean newspaper only.
- b. cardboard shall mean all corrugated cardboard and brown paper bags which are clean and dry.
- c. mixed paper shall mean all other clean paper products, such as magazines, printed paper, non-corrugated cardboard, except cartons or paper to which any wax or plastic has been applied, such as milk cartons.

5. METALS

- a. cans as defined above.
- b. heavy gauge metal shall mean cast or forged items such as engine blocks, stoves, pumps.
- c. light gauge metal shall mean other metals, including items made of sheet metal, such as appliances.

6. YARD WASTE shall mean

- a. leaves and grass clippings.
- b. brush, twigs, and tree limbs smaller than 4 inches in diameter.
- c. stumps and tree limbs 4 inches in diameter or greater.

7. HOUSEHOLD TRASH shall mean all items accepted for disposal at the Lamprey Regional Solid Waste Cooperative.

8. OILS shall mean crankcase-type oil only.

9. TIRES shall mean all tires detached from wheels or rims.

10. USABLE OR REPAIRABLE ITEMS shall mean any items described for the land fill that have potential for use as determined by the Attendant.

11. COMMERCIAL HAULER shall mean a person authorized by the Selectmen to collect and transport solid waste in Madbury.

E. RECYCLING

1. Materials delivered to the recycling area shall be separated into the following categories as defined above and deposited in the designated areas:
 - a. recyclable glass: clear, brown or green.
 - b. metals: aluminum cans, steel and bimetal cans, light gauge metals, and heavy-gauge metals.
 - c. yard waste: leaves and grass clippings.
 - d. oils.
 - e. tires.
 - f. usable and repairable items.
2. Food containers shall be empty and sufficiently clean to preclude attracting rodents.
3. Weather-resistant usable and repairable items, as determined by the Attendant, may be replaced in a designated location and made available to townspeople. A bulletin board will be provided at the Attendant's station to post notices advertising non-weather-resistant or large usable items for disposal.
4. Vehicle bodies, gas tanks or chemical containers will not be accepted. Refrigerator and freezer doors must be removed.

F. INCINERATION

1. Household Trash picked up by commercial haulers for delivery to the Lamprey Regional Solid Waste Cooperative shall be free of recyclable glass.
2. Household Trash delivered to the transfer station and destined for disposal at the Lamprey Regional Solid Waste Cooperative shall be free of recyclable glass.

G. LANDFILL

1. Materials delivered to the landfill shall be separated into the following categories and deposited in the designated areas as directed by the Attendant:
 - a. Furniture
 - b. Yard waste (leaves, clippings, twigs)
 - c. Yard waste (limbs under 4 inches and brush)
 - d. Yard waste (limbs 4 inches and over)
 - e. Stumps
 - f. Burnable construction and demolition waste
 - g. Non-burnable construction and demolition waste

2. PROHIBITED WASTE

- a. Waste acceptable at the Lamprey Regional Solid Waste Cooperative incinerator.
- b. Recyclables
- c. Human and animal wastes such as dead animals, feces, septic waste or sludge.
- d. Toxic or hazardous waste such as those containing lead, cadmium, or other heavy metals, or materials containing acids or caustics, solvents, insecticides, herbicides, etc., and so identified in the Federal Register, 40 CFR 261, May 19, 1980, pp. 33121-33127, and 40 CFR 261.31 and 32 Nov. 12, 1980, pp. 74890-74892. This list shall include any additions or amendments to the Federal Register.
- e. Any waste may be excluded by the Selectmen until such time as State or Federal sources have established the safety of landfill disposal of such material.

H. SOURCES

Only materials from Madbury sources may be deposited in the recycling areas, transfer station or landfill areas.

I. LITTERING

Littering shall be a violation of this ordinance.

J. BURNING

All burning shall be prohibited except under the direction and supervision of the Town Fire Warden.

K. FIREARMS

Discharge of firearms shall be prohibited on the posted solid waste area

L. ILLEGAL ENTRY

Entry shall be prohibited within the posted solid waste area except during operating hours. Unauthorized entry shall be considered as trespass.

M. PENALTY FOR NON-CONFORMANCE

Non-conformance with the terms of the ordinance may be reported to the Selectmen by the Attendant. Persons found to be in violation may be subject to a fine not exceeding \$100 per violation, and/or revocation of the solid waste permit. Each container of material disposed of in violation of this ordinance shall be a separate and distinct violation.

N. EMERGENCY AUTHORITY

The Selectmen will be authorized to suspend operations temporarily and without notice in order to insure the safety and well-being of the community.

O. SAVING CLAUSE

The invalidity of any provision of the Ordinance shall not affect the validity of any other provision nor the validity of the Ordinance as a whole.
